A Sequence of Place-enabled Photos or Videos

Story Map Tour™
Present a set of photos or videos along with captions, linked to an interactive map. It's ideal for walking tours or any sequence of places you'd like users to follow in order.

A Rich Multimedia Narrative

Story Map Journal™
Create an in-depth narrative organized into sections presented in a scrolling side panel. As users scroll through the sections in your Map Journal they see the content associated with each section, such as a map, 3D scene, image, video, etc.
